RECORD OF THE DECISION

A Climate Change Adaptation Strategy For Trafford

That the Council adopts the draft Climate Change Adaptation Strategy, as appended to the report.

REASONS FOR THE DECISION

The new national performance framework includes several new sustainability indicators, one of which is "Planning to Adapt to the Effects of Climate Change" (NI188). In order to achieve level 3 of the self-assessed indicator NI188, the adaptation strategy needs to be adopted by the council's Executive. Trafford will need to be aware of and plan for the effects of a changing climate on council services.
