Hi Lis Very impressed. A&B Civic Soc would like to use them as a basis for our Civic Day celebrations around 21st June and hopefully a best practice case study for Civic Voice. I thought we would concentrate on Old Market Place which is at risk and Goose Green and George Street which fit in with partnership working on ginnels etc. I have tried to interest Altrincham forward in the bits that should involve them like public realm and empty buildings deteriorating abd they are taking it under consideration. I have offered to go and talk to Physical Delivery workstream at AF. Downs one is BCG as well and Stamford New Road is going to have so many changes worth hanging on do you think. I guess the tricky bit will be the management plans. Any time line? David eastwood is doing Heritage walk on Saturday for Art with a Heart's Then and No w exhibition. Phil Long from Groby Place very pleased the National trust site up for inclusion and says everyone in extended areas will get a letter. is that right? What form will do meetings next week take? Is there anything we can do to help?
