RECORD OF THE DECISION

Transport in Trafford: A Local Area Implementation Plan (LAIP)

1. That the LAIP be approved for submission to GMPTE so that it may be annexed to the Greater Manchester Local Transport Plan.
2. That authority be delegated to the Executive Member for Highways and Transportation in consultation with the Corporate Director for ETO to make any minor adjustments to the LAIP in the light of any late representations that are received.
3. That it be noted that the LAIP will be an active document which is subject to regular review in consultation with the Executive Member for Highways and Transportation. Any future substantive changes will be referred to the Executive for consideration.
4. That this decision be deemed to be urgent and therefore not subject to call-in.

REASONS FOR THE DECISION

The LAIP provides Trafford's strategic statement of policy in relation to transport, and provides the mechanism by which the Council signs up to the Greater Manchester Local Transport Plan, the Council's major source of funding for maintaining and improving the transport network in the Borough. The approval of the LAIP is important so that it can form part of the Greater Manchester Local Transport Plan when it is adopted at the end of March. Submission of a LAIP to GMPTE is required by 28th February in order to meet the statutory timescale of submitting a complete Greater Manchester LTP to the Department for Transport by 31st March. Call-in would make this timescale impossible to meet and have important consequences for the Council in relation to funding for implementation of the LAIP
