Trafford Core Strategy: Examination – Proposed Changes and Further Consultation Scheme

- (1) That the scope of the proposed further work in relation to the Trafford Core Strategy be noted, namely, work in relation to the following three areas of the Core Strategy:-
- The Regional Centre and Inner Areas Boundaries;
 - Policy L5 – Climate Change; and
 - The proposed inclusion of the Unitary Development Plan High Amenity Strategic Development Site, at Davenport Green, within the Green Belt.
- (2) That the Executive also notes that the Leader of the Council delegates authority for approving the contents of the further consultation documentation, prior to its publication in April 2011, to the Executive Member for Economic Growth and Prosperity.

REASONS FOR THE DECISION

To enable the Core Strategy Examination to resume, enabling the Inspector to complete her Examination of the Plan.

The Core Strategy is a key document within the Local Development Framework, setting the spatial vision and development strategy until 2026. It is a document that is specifically required by the Planning and Compulsory Purchase Act 2004. Upon adoption, the Core Strategy and forthcoming Development Plan Documents will replace parts of the Council's adopted Unitary Development Plan.

Following discussions at a number of the hearing sessions of the Trafford Core Strategy Examination, it became clear that the Inspector considered that the Council should give further consideration to the need to carry out additional work in relation to certain elements of the Trafford Core Strategy.
