

Feast your eyes on some of the best food in Trafford

Details of the mouth watering selection of culinary delights being offered by local restaurants at this year's Taste Sensation event have been released.

The menus, which can be viewed at www.atasteoftrafford.com include cuisines from all over the world, from tapas and paella from La Rioja, a selection of Greek delicacies from Sokrates to pastas and pizzas from Oca, Little Sicily and Farina. Other local restaurants taking part include Fat Loaf, Dilli, Chorchaba, M & M Caribbean Spice, Kro and the Belgian Bar.

And if you want to sample some of the best food in Trafford you can buy your Tesetas from 23 August. People don't need to buy Tesetas to come along on the day but will need them to taste the food on offer from the participating restaurants as these stalls do not accept cash.

Tesetas are valued at £1 each and you can buy them on the day in books of five for £5. Or you can buy them in advance at just £5 for 6.

Tesetas are available in advance from:

- Trafford Tourist Information Centre in Altrincham
- Urmston, Old Trafford and Altrincham Libraries
- Waterside Box Office
- Sainsbury's in Altrincham

Executive Councillor Jonathan Coupe said: "Visitors to this year's event are in for a real treat with such an array of food available from some of our excellent local restaurants. Taste Sensation is always a great day and well attended and I hope this year we exceed all previous records, and having a record number of local producers and restaurants is a great start!"

This year's Taste Sensation is on Sunday 26 September between 11am and 4.30pm at Altrincham Market. For more information about the day visit www.atasteoftrafford.com
