

NICHE WALL

The niche wall is situated off the main drive between the Crematorium and Dunham Lawn Cemetery. Each niche chamber accommodates two sets of cremated remains caskets and is sealed at the front with an engraved granite plaque.

Purchased on a renewable lease for a period of ten or twenty years, the cost includes the casket, granite plaque with an inscription of up to eighty letters over four lines and a posy holder. For an additional fee, a gilded emblem may be added and examples of available designs are shown on the application form overleaf.

At the end of the lease period, we will write to you at your last known address with details of how you can extend the lease. If you decide not to renew the lease and we receive no further instruction regarding the cremated remains, they will be laid to rest in the Garden of Remembrance at Altrincham crematorium.
