Memorial Vase and Tablet

The memorial vase and tablet comes with a marble base, flower vase and a plaque including an inscription of up to seventy letters. Inscriptions can be longer providing they fit within the grid. There is an additional charge per extra letter.

The plaques can either be polished granite with gold leaf lettering or cut in relief with black letters on a grey background.

The memorials are leased for ten year periods (Up to a maximum of twenty years) on renewable terms. New plaques can be cut to include additional names or details where required. On renewal, the gold leaf plaques will be re-gilded if required.

The memorials are sited around the edge of the Gardens of Remembrance, providing a personal memorial to your loved one. Where possible, the memorials are placed as near as possible to the resting-place of the cremated remains.
