Hi Debra,

UTC colleagues have now looked at the revision. They have advised that the TA Addendum doesn't address previous comments as they have not amended the base model to replicate current (or pre-Covid) operation of the junction. Therefore, previous comments still apply.

Regards.

Hi Riccardo,

A revised TA Addendum has now been submitted in relation to the proposed development at B&Q.

Please can you advise whether this satisfactorily addresses TfGM's comments. I appreciate this is a tight timescale but would it be possible to get a response by Friday 2<sup>nd</sup> October?

Kind regards

Debra
