Dear Inspector

### **Civic Quarter Area Action Plan – Examination**

By Section 20(7)(c) of the Planning and Compulsory Purchase Act (PCPA) 2004 (as amended), local planning authorities may ask the appointed Inspector to recommend modifications to a Development Plan Document undergoing independent Examination.

This letter constitutes the formal request by Trafford Council that the Inspector recommends modifications to the Development Plan Document currently being examined (the Civic Quarter Area Action Plan), where necessary, in order to address soundness and satisfy the requirements in Section 20(5)(a) of the PCPA 2004.

Please make contact with my colleague, Bethany Brown ([bethany.brown@trafford.gov.uk](mailto:bethany.brown@trafford.gov.uk) [REDACTED]), if you have any queries.

Yours sincerely

**Rebecca Coley**  
Head of Planning and Development
