Dear Mr Fox,

Trafford Civic Quarter Area Action Plan Examination

We write in relation to the Trafford Civic Quarter Area Action Plan Examination Hearings which took place between 5th-8th April 2022. We understand that in one of the Hearing Sessions it was suggested by a representative of Trafford Council that, as Peel L&P had not sought to appear at the Examination, this could be taken as support for the evidence put forward by the Council.

This is not the case. Peel L&P has no land interests in the Civic Quarter and has therefore not undertaken a detailed review of the evidence base for the Area Action Plan.

Yours sincerely,

Leigh Thomas
Property and Planning Manager
