3. Public Consultation.....	1
4. Consultation Responses and Main Issues	2
5. Main Changes to the SPD.....	2
Appendix 1 – List of Consultees	10
Appendix 2 – Local Advertisement	20

1. Introduction

- 1.1. In preparing Supplementary Planning Documents (SPDs), the Council is required to follow the procedures laid down in the Town and Country Planning (Local Planning) (England) Regulations 2012, and its adopted Statement of Community Involvement (SCI).
- 1.2. There are a total of 21 Conservation Areas in Trafford. The Old Market Place is one of the first to undergo reappraisal as required by national guidance. English Heritage guidance sets out, designation is not sufficient to preserve and enhance these areas. Instead local authorities need to develop policies which clearly identify what features of the area should be preserved or enhanced and set out how this should be done.
- 1.3. Such assessments help to generate awareness and encourage local property owners to take the right sort of action. The appraisals also identify areas where enhancement through development may be desirable.
- 1.4. Through the production of these documents the Council will be able to manage change in their historic areas in a way that will preserve and enhance them.
- 1.5. The Conservation Area Appraisal was carried out by consultants during 2013/14.
- 1.6. This Consultation Statement contains a summary of which bodies and persons were invited to make representations and how they were invited to make representations.

2. Statement of Community Involvement Review

- 2.1. The Council adopted its Statement of Community Involvement Review in February 2010. This sets out the process by which the Council will consult appropriate bodies in the course of drafting all documents that are part of the Local Plan.

3. Public Consultation

- 3.1. A copy of the Appraisal was made available for a statutory 6-week public consultation from 3rd February to 17th March 2014. A wide range of stakeholders were consulted including landowners, all residents within any of the proposed changes to the Conservation Areas, developers, key agencies and service providers, Parish Councils, Registered Providers and other interested parties. A full list of the consultees that were formally invited to comment on the document is available in Appendix 1.
- 3.2. In addition two drop-in sessions were arranged during the consultation period for people to come and discuss the appraisals with officers from the Council. One on the 24th February 2014 at Altrincham Town Hall between 6 and 8 pm. The other on

the 26th February 2014 between 12 and 2pm at the Altrincham Forward offices (12-14 Shaw's Road).

3.3. A public notice was displayed in the 3rd February 2014 issue of the Manchester Evening News and is available in Appendix 2.

3.4. The SPD and associated documentation was made available for inspection at the following locations:

- On the Council's website: <http://www.trafford.gov.uk>
- Trafford libraries
- Access Trafford offices

Individual copies of the documents were also made available on request.

3.5. Comments were invited in writing, no later than 17th March 2014, either by post to: Strategic Planning, Trafford Town Hall, Talbot Road, Stretford, M32 0TH or alternatively by email to: strategic.planning@trafford.gov.uk.

3.6. Consultation responses and the identity of those making them are matters of public record and open to public scrutiny. Copies of the responses received to the consultation can be viewed on request to the Strategic Planning team, Trafford Town Hall, Talbot Road, Stretford M32 0TH.

4. Consultation Responses and Main Issues

4.1. A total of 9 representations were received to the public consultation. A summary of these representations is available to view in table 4.1 below, together with the Council's response to the points raised.

4.2. Relatively few comments were made. English Heritage suggested the 5 Conservation Areas could be combined as one area. However it is felt this would be unmanageable and the areas have different characters. Other comments are summarised below:-

- Praise for the extensive work in writing the CAAs
- Suggestions for boundary changes
- Points of clarification and factual corrections requested

5. Main Changes to the SPD

5.1. Changes to the SPD have been made in response to many of the representations received:-

- Corrections and improvements to the detailed maps on townscape analysis
- Corrections to building dates on some maps and text
- The addition of clearer photographs

- Small changes to the CA boundary to include the small copse behind 27 Hartley Road and No 8 Groby Place
- Changes to the text to improve clarity in several sections
- Removal of very detailed information into a separate appendix

Table 4.1 Summary of representations and the Council's response

Organisati on/ Person	Person ID	CAA	Summary of Representation	Council Response
Sue Nichols	1008	Old Market Place	<p>Detailed comments in relation to the following parts of the CAAS:-</p> <ul style="list-style-type: none"> • assessment of special interest, • heritage assets, • factual corrections • Content of the history sections 	Noted. Changes have been made to take account of the detailed comments made
English Heritage	1074	CAA Old Market Place	<p>The Council should consider combining Old Market Place , George Street and Stamford New Road into one CAA "Altrincham Town Centre" A single designation can help by way of future management, place making and marketing. Also the Altrincham Strategy has different boundaries and could be confusing.</p>	<p>The consultant did look at the area being covered by one CAA but it was not considered to be beneficial. It would leave holes in the area which do not have CAA value , it is too unmanageable and the character is quite different between them.</p> <p>The Altrincham Strategy has very different objectives to the CAAs it is focused on growth and regeneration and includes areas with no conservation value.</p>
English Heritage	1074	CAA Old Market Place	<p>Not convinced the proposed boundary holds together as a distinct place with a coherent character or appearance, nor its description as the Old Market Place is particularly helpful.</p>	<p>As proposed, it is considered that the boundary covers all areas that relate to the Old Market Place and it is also</p>

Organisati on/ Person	Person ID	CAA	Summary of Representation	Council Response
				considered appropriate for it to be one CAA
David Eastwood	1223	CAA Old Market Place	All buildings between the old Lloyds Bank and the hotel should be listed. They are all of the same time period, with no apparent distinction between them.	This is not a consideration for CAA. Further assessment of the buildings would need to be undertaken before listing requests submitted to English Heritage on behalf of SoS for DCMS.
David Eastwood	1223	CAA Old Market Place	Altrincham Town Hall should be listed because of its contribution to the town's history and heritage.	The contribution of the Town Hall is noted in the CAA. It is understood that a listing request was submitted a number of years ago and this was turned down. If further evidence regarding the significance of the building has come to light then a listing request can be resubmitted to English Heritage.
Amy Sharp	1306	CAA Old Market Place	The extensive work done on the appraisal is welcomed	Comment Welcomed

Organisati on/ Person	Person ID	CAA	Summary of Representation	Council Response
Alastair Hutchinson	1316	CAA Old Market Place	Disinclined to support the extension of the Old Market Place Conservation Area if it impinged on the ability to re screen the Townfield Garden Apartments	CAA status does not effect the ability to plant screening trees or hedgerows. However a hard boundary treatment would require planning permission
Julia Chance	1327	CAA Old Market Place	More could be made of the ginnels to provide a finer grain of pedestrian movement rather than being limited by the currently used north south shopping streets. At present the ginnels are underused, threatening and present a large area of public realm that is under used.	Noted. This is something for the public Realm Strategy to address rather than the CAA
Leslie Turner	1328	CAA Old Market Place	Old Market Place CAA should be extended to include a small piece of land containing a mature copse, end of Groby Place behind 27 Hartley Road.	It would be appropriate to designate this area of trees within the CAA designation. The boundary map has been amended
Philip Long	1329	CAA Old Market Place	It is very important that there is no further development on Groby Place as there are huge traffic problems and the site at no.8 is of historical importance.	The CA has been extended to include part of Groby Place and the contribution that no.8 makes to the character and appearance of the CA. Any proposed development of 8 Groby Place would be the subject of a planning application and the decision make in accordance with relevant policies in Trafford's Core Strategy, NPPF and the Planning (LB & CA) Act

Organisati on/ Person	Person ID	CAA	Summary of Representation	Council Response
				1990.
Altrincham and Bowdon Civic Society	1330	CAA Old Market Place	Consideration should be given to the inclusion of the Mount in Sandiway CA, not in Old Market Place CA.	Sandiway CA was not a CA being considered for review at this time and so if this option was pursued there would be a delay in including this important area with in a CA. It is more appropriate to include The Mount within Old Market Place CA at this time due to its proximity to the existing boundary
Altrincham and Bowdon Civic Society	1330	CAA Old Market Place	Reference should be made to the fact that the public realm strategy is awaiting implementation, with the design stage being complete.	It is not considered relevant to reference this Strategy in the CAAs. Any reference would also date the appraisals that will have a longer shelf life than the Public Realm Strategy.
Altrincham and Bowdon Civic Society	1330	CAA Old Market Place	Sandiway CA could be extended to include the Mount but that would not take account of John Leigh Park	Sandiway CA was not a CA being considered for review at this time and so if this option was perused there would be a delay in including this important area within a CAA. It is more appropriate to include The Mount within Old Market Place

Organisati on/ Person	Person ID	CAA	Summary of Representation	Council Response
				at this time due to its proximity to the existing boundary
Altrincham and Bowdon Civic Society	1330	CAA Old Market Place	Reference should be made to the fact that Trafford is preparing a housing plan in relation to empty properties; this should address a number of the concerns in relation to deteriorating properties with empty upper floors.	Yes it is acknowledged the housing plan in relation to empty properties will help to address concerns. However it is not considered relevant to reference this plan in the CAAS. Any reference would also date the appraisals that will have a longer shelf life than the Housing Plan.
Altrincham and Bowdon Civic Society	1330	CAA Old Market Place	The management plan should concentrate on matters that can be changed, e.g. yellow lines and signage, metal shutters and canopies and not inappropriate development which is regrettable but unlikely to go.	Noted. The Management Plan can consider these issues in addition to the ones already listed.
Altrincham and Bowdon Civic Society	1330	CAA Old Market Place	The CAA is considered to be very impressive	Noted

Organisati on/ Person	Person ID	CAA	Summary of Representation	Council Response
Altrincham and Bowdon Civic Society	1330	CAA Old Market Place	Support for the inclusion of details relating to properties of local significance within the Conservation Area Appraisals because this will assist work with English Heritage.	Support welcomed

TRAFFORD BOROUGH COUNCIL

Planning and Compulsory Purchase Act 2004

The Town and Country Planning (Local Planning) (England) Regulations 2012

Supplementary Planning Document – Regulation 12 Public Participation

Proposed titles of the Supplementary Planning Documents

Conservation Area Appraisal – Stamford New Road - Consultation Draft

Conservation Area Appraisal – George Street - Consultation Draft

Conservation Area Appraisal – Old Market Place - Consultation Draft

Conservation Area Appraisal – Goose Green - Consultation Draft

Conservation Area Appraisal – The Downs - Consultation Draft

Proposed subject matter of the Supplementary Planning Documents

The proposed conservation area appraisals provide an assessment of special interest; an audit of heritage assets; an assessment of condition and; set out a plan for further action. Additionally, the proposed conservation areas identify the proposed boundary for each of the conservation areas.

Notification of Adoption of the Supplementary Planning Documents

Any representations to may be accompanied by a request to be notified at a specified address of the adoption of the Supplementary Planning Documents.

Availability of documents: The Draft Conservation Area Appraisal Supplementary Planning Documents are available for public inspection at all public libraries/Access Trafford offices in Trafford, during normal opening hours. For more information about location and opening hours go to: <http://www.trafford.gov.uk/leisureandculture/libraries/librariesintrafford/>

The documents, including the comments form, can also be found on the Council's website: www.trafford.gov.uk. If needed, summary material can be made available in large print, Braille and other languages. For further information please contact the LDF helpline on 0161 912 3149.

Address to which representations must be sent: Written representations should be submitted to Strategic Planning, Trafford Town Hall, Talbot Road, Stretford, M32 0TH Tel: 0161 912 3149 (e-mail: strategic.planning@trafford.gov.uk).

Period in which representations may be made: Written representations may be made between 9:00am **Monday 3rd February 2014** and 5:00 p.m **Monday 17th March 2014**.

Rob Haslam

Head of Planning
