Please provide your comments below and explain your reason for supporting opposing or commenting on this specific part of the document Please include suggestions as to how you think we can improve the document:	I support the retention of the south playing fields on Grange Road, Bowdon as Playing Fields/Protected Open Space as shown on the plans. As a local resident I see the regular use of these fields by sports groups such as Hale United as well as many members of the public who make use of the fields at evenings and weekends. It is a valuable facility that should be retained as the area is short of open spaces such as this.
