

TRAFFORD CORE STRATEGY

INSPECTOR'S NOTE 3

Request for an Audit Trail of the Evolution of Options Considered in the Evolution of the Core Strategy

To assist my understanding of the documents which form the audit trail of how options were considered and rejected in the formulation of the policies and proposals of the submitted Core Strategy please will the Council provide a table which chronologically lists, by reference to their CD numbers, the documents wherein the various stages of options formulation are set out, starting with identification of issues to be addressed. The table should indicate the title of the document and its date, together with similar information on the consultation upon such documents and their associated sustainability appraisal. This information is required by noon on 24th February 2011 please.
