Dear Dr. Bussey

RE: CD 12.100.1 Trafford Council Response to RLAM – further suggested changes to Policy W1 and R4 – September 2011.

Manchester Airport views the changes set out in the above document in a generally favourable way. However, there is a contradiction in removing the text from W1.11 whilst maintaining the supporting text of 18.13. We would favour the retention of the text in W1.11.

I hope that you are able to accommodate these comments.

Yours sincerely
