**Proposed Change to Policy SL5 in
Response to MMIQ 3.29**

4th March 2011

Introduction

At the third Hearing session of the Trafford Core Strategy Examination the Inspector considered that the Council may wish to submit to the Examination a change that clarifies Policy SL5.4 bullet point 6 - the role of the Manchester Ship Canal in response to MMIQ3.29.

Council's Response

The Council considers that on reflection there is no need for the wording in Policy SL5.4 6th bullet point, as it is adequately covered in Policy L4.10. It is considered that this change would also address the concerns expressed by Shell in their response to MMIQ3.29 (CD12.36.1).

Policy SL5.4 6th bullet point

- ~~Provision, where appropriate, to maintain, and/or enhance the Manchester Ship Canal for transportation purposes.~~

A proposed change will be added to the Schedule of Proposed Changes (CD 12.4) to this effect at 300.15.
