

**TRAFFORD
COUNCIL**

**Request for Clarification of Policy SL5.4 in
Relation to the Carrington Link Road**

4th March 2011

Introduction

At the third Hearing session of the Trafford Core Strategy Examination the Inspector considered that the Council may wish to submit to the Examination a change that amends the Implementation Table in the Core Strategy Policy SL5 with regards to the Carrington Link Road, in response to a question raised by Shell at the above Hearing session.

Council's Response

The Council considers that an amendment to the Core Strategy Policy SL5 Implementation Table, as suggested below, would address the concerns expressed by Shell during the above Hearing Session.

Suggested Change 300.16 as detailed in the Schedule of Proposed Changes (CD 12.4).

Project	Status	Costs	Phasing	Responsibility	Funding Source
Carrington Link Road to Through the Development Site	Priority 2	Approx £243m	Required By 2017	Private Developer	Private Developer/ Section 106
