Dear Yvonne

Trafford Core Strategy Examination

Thank you for your consultation on the above dated 10th October 2011, which was received by Natural England on 10th October 2011.

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development

Having considered the relevant documentation and in light of Natural England's earlier representations on the Core Strategy Publication document that we submitted on the 1st November 2010, then on this occasion we do not wish to give any detailed comments.

Should you wish to discuss this response please do not hesitate to contact me at the above address.

Yours Sincerely
