Dear Sir or Madam

**Trafford Core Strategy DPD – Consultation on ‘Living Changes Document’ CD12.4**

Further to your letter dated 7<sup>th</sup> October 2011 seeking further representations in connection with the above matter.

Whilst the changes made in S300.122 (additional paragraph 11.15) regarding the justification of Policy L2 are noted, our previous objections to this policy as stated in representations submitted in September 2010, and February, March, May and August 2011 remain outstanding.

I trust you will bring these matters to the attention of the inspector.

Yours faithfully,

**Neil Tatton**  
Development Manager
