Subject: RE: Further consultation on L5 - Climate Change - Trafford Core Strategy

Yvonne

I have reviewed the Council's further draft of Policy L5 and have discussed this with Peel.

I am pleased to advise you that Peel consider that this further revision does satisfactorily address our remaining concerns with regard to this policy and we are therefore able to give it our support in this amended form.

I would be grateful if you could convey these comments to the Inspector.

Kind Regards

Paul Singleton
