Dear Sir or Madam

I am writing to inform you that the Council has now received the further Sustainability Appraisal work which they commissioned, following the request made by the Inspector (appointed to carry out the Examination into the Trafford Core Strategy) at the Pre Hearing Meeting. This work has been carried out with specific reference to the Council's proposed economic strategy and reflects the correct current policy designation of the development site at Davenport Green.

In accordance with the Inspector's recommendation at the PHM, the Council is now undertaking a two week period of consultation, to enable comments to be submitted to and considered by the Inspector prior to the closure of the formal Hearing sessions.

In order to facilitate this process I have attached a copy of the consultation material. This material can also be viewed via the Core Strategy pages on the Council's website or alternatively at all Trafford's libraries.

You are now invited to make comments on this new SA work by 12.00 noon on 24 February 2011. Such comments should be submitted, ideally, in electronic form, as further representations, to the Programme.officer@ntlworld.com , copied to my assistant programme officer: Andrea.Edwards@trafford.gov.uk

Hard copies should be sent to the following address:
Yvonne Parker,

The Programme Officer,
c/o Strategic Planning and Developments,
Trafford Council,
First Floor,
Waterside House,
Sale Waterside,
Sale,
M33 7ZF

Following receipt of these comments, I will ensure that both the Inspector and the Council are circulated with copies.

For information it is currently the intention of the Inspector to deal with this further SA at Hearing Session 4, under Matter 4, The Economy.

Kind regards

Yvonne Parker
Programme Officer
