Dear Ms. Parker,

**TRAFFORD CORE STRATEGY EXAMINATION**

I write on behalf of Timperley Civic Society.

We have discussed the changes to Policy R4 - Green belt, Countryside and other Protected Open Land and noted the paragraph mentioning Davenport Green.

This states that it is a change from the submitted version of the Core Strategy which proposed that this piece of land should be put into the green belt.

We feel strongly that this land should ideally be designated as Green Belt, however if there are overriding reasons for this to be impossible then we feel that the Council should keep the maximum possible protection of this open space so that it does not become a built up area.

Would you please keep us informed of any change in the situation at Davenport Green.

Yours sincerely,

Naomi J. Garside [Mrs.]  
 Hon. Secretary
