

Partington

Parish Council

“Pride in the Community”

The Parish Council raises a local tax (the precept) which has been collected via the Council Tax and paid to us via Trafford Council. The precept is paid by every household and varies in accordance to your property band in the same way as the Council Tax. The precept is spent within the Parish and will be laid out in the budget approved by Parish Councillors.

At the Parish Council meeting of 6th January 2020, the Council took the hard decision to increase the 2020/2021 Parish precept.

The precept bandings for 2020/2021 are as follows:

Band A	34.69
Band B	40.48
Band C	46.26
Band D	52.04
Band E	63.60
Band F	75.17
Band G	86.73
Band H	104.08

As with previous years the Parish Council have been mindful of the current financial climate and have voted not to increase the precept for the last 10 years, however with continued cuts in resources within One Trafford, it was felt the rise was inevitable.

It is the Parish's intent to use the additional funds to generate part time positions within in the area increasing the Parish workforce and providing employment to local people along with associated resources required for the position and the community and to coincide with the raise of the minimum national wage in 2020/21.

The additional funds will enable continued improvements in the appearance of the village, offer local part time employment plus retaining a little in reserve for ongoing training.

The Parish Council will continue with the established levels of service and are positive that this will be not only maintained but improved upon year by year

The Parish Council will again continue with their efforts at making safe the arterial paths and spaces most hazardous when Trafford Council do not have the resources to do so. The Parish Council will continue to add value to the established public amenity works of Trafford Council and actively maintain those existing Partington owned ones.

The Community Improvement operatives will increase and continue to be a 'helping hand' to those most vulnerable in our community and collect fly tipping.

Partington was awarded for the eleventh year running another Silver award for the best in the Small Town Category by the North West in Bloom committee.
