Parish Council

“Pride in the Community”

Throughout this past year, the Parish Council have continued to be mindful of the global pandemic and the impact on the financial climate and as a result, have voted not to increase the precept.

Therefore, at the Parish Council meeting of 7th November 2022, the Parish Council RESOLVED that there will be **‘NO’** increase to the 2023/2024 Parish precept charge.

Trafford Borough Council were informed of this decision.

A Parish Council can raise a local tax (the precept) which is collected via the Council Tax and paid to us by Trafford Council. The precept is paid by every household and varies in accordance to your property band in the same way as the Council Tax. The precept is spent within the Parish and will be laid out in the budget approved by Parish Councillors.

The precept bandings for 2023-2024 are as follows:

Band A	34.69
Band B	40.48
Band C	46.26
Band D	52.04
Band E	63.60
Band F	75.17
Band G	86.73
Band H	104.08

The Parish Council are delighted to report that the existing Community Improvement operatives’ team are continuing to make a presence in our community and are always striving to carry out improvements where needed in the village. The established levels of service will continue to be maintained and grow with each passing year. However, it is important to note that the Parish Community Improvement operatives are a **‘top up’** service that works alongside Trafford BC, Amey/One Trafford, Trafford Housing Trust, Your Housing Group, under the M31 project and the Ward Cllrs. We will continue to be a ‘helping hand’ to those most vulnerable in our community.

Whilst we have seen a slight decrease in fly tipping, it is still a cause of concern along with the general dropping of litter within our village.

Fly tipped rubbish is defined as ‘dumped rubbish on a site that is not licenced to accept waste, the waste may include general household rubbish larger household items, i.e., mattresses, fridges, garden refuse or commercial waste’. It is an offence that can lead to a fine or imprisonment and will be reported to the TBC Environmental Improvement Officers who will actively try to find evidence of people fly tipping and will act against those individuals. If you see this offence being committed in our community, please report online via the Trafford BC or Your Housing Group portal.

www.trafford.gov.uk/residents/report-it.aspx or www.yourhousinggroup.co.uk/contact-us/

The Parish Council will once again continue with their efforts at making safe the arterial paths and spaces most hazardous when Trafford Council do not have the resources to do so. The Parish Council will continue to add value to the established public amenity works of Trafford Council and actively maintain those existing Partington owned ones.

Please use the space below to leave your comments and return them to the Parish Council, details below.
