# YOUR SAY ON STRETTFORD LACY STREET

#WEARE  
STRETTFORD

The Refreshed Stretford Masterplan is a once in a generation opportunity for us to work together to revitalise the local area. Here is one of the many regeneration projects proposed across Stretford and we want you to share your thoughts and concerns, so we can make sure it works for you.

The Lacy Street site provides a major opportunity to improve the way Stretford is viewed, while raising its profile. By building campus accommodation on Lacy Street we will be able to develop a landmark building in Stretford, while opening up the area next to the Bridgewater Canal.

### The Refreshed Stretford Masterplan proposes to:

Use the Lacy Street site as part of the University Academy 92 campus by providing high-quality student accommodation

Create a new green, open space for the whole community to enjoy

Build high-quality student accommodation to house around 1,700 students when complete

Introduce a mix of commercial spaces on the ground floor - for shops, cafés or restaurants

Open up the area between the new building and the Bridgewater Canal to make it easier to access the water from the Town Centre
