

Level 3 Certificate in Supporting Teaching and Learning (Pearson)

This qualification provides learners with an understanding of the knowledge needed when working directly with children and young people in a school or college environment. It will enable learners to gain an understanding of elements including children and young people's development, safeguarding their welfare, and communication and professional relationships.

Training Modules Covered:

- Schools and colleges as organisations
- Support health and safety in a learning environment
- Understand how to safeguard children and young people
- Develop professional relationships with children, young people and adults
- Understand how children and young people develop.
- Support positive behaviour in children and young people
- Support children and young people during learning activities
- Support English and maths skills
- Support the use of ICT in the learning environment
- Support assessment for learning
- Engage in personal and professional development
