

Join BlueSCI Partington as a library and wellbeing support volunteer

BlueSCI Support has provided wellbeing support to Trafford residents since 2004 and we now have an exciting opportunity to join the team in delivering support that values individuals experiences.

You will be the first point of contact for people accessing the library and mental health services. We are looking for someone who can balance supporting visitors to the centre and carry out administrative tasks.

Sound like a role for you?

There are many benefits to volunteering with BlueSCI Support:

- A full induction and training
- Regular support meetings
- Reasonable travel expenses paid
- Mental health awareness training
- Developing skills and confidence

We would love to hear from you, you can make an application by filling out a form on our website www.bluesci.org.uk or contacting the centre manager Sinead on 07719512538.

We will arrange a friendly, informal interview to meet you and tell you more about the role.
