

Our FREE, accredited courses are available to anyone who is aged 19+, unemployed, and lives in the Greater Manchester area. Our courses will allow learners to upskill their knowledge, build confidence, and explore new employment opportunities.

OUR COURSES

Level 1 – Introduction to Health, Social Care, Children & Young People’s Settings:

Learners will gain an understanding of service provisions and roles within the Health and Social Care sector.

Level 1 - Caring for Children:

This course is a fantastic introduction to working with children, focusing on children aged 0-5.

Level 2 - Support Work in Schools:

This teaching assistant qualification will enable learners to gain knowledge of supporting children in a school setting.

Level 2 – Special Educational Needs & Disabilities: Learners will explore many different aspects of SEND, including the symptoms of conditions, legislation & guidance applicable to individuals with SEND.

Level 2 - Understanding Autism:

Learners will gain an understanding of the Autistic spectrum and techniques to support and understand someone with Autism.

Level 2 - Business Administration:

Learners will gain an understanding of the business environment and various IT packages.

Our courses are delivered remotely. They run Monday to Friday for 7 weeks, from 9:30am until 2:30pm daily. Each day we have live interactive teaching sessions with a tutor, via Google Classrooms.
