A big thanks to Robert Atkinson for organising the day out at the Malvern Show last year. We look forward to another fantastic day this year. Details to follow

Working Parties

There will be a new storage container delivered to Golf Road in February so working parties will be organised to prepare and clear the sites, to dredge the brooks, make some repairs to fences, trim hedges, replace some sheds and to explore ways of managing the area near the new security fence on Golf Road.

When we receive the Shop Delivery (date to be confirmed), we would appreciate volunteers to help organise the stock.
Please watch out on the gates for announcements.

Rubbish and Green Waste Tipping – important note....

A reminder as we are clearing our plots –
Please remove all of your own rubbish.....
