

Safer School *Run*

Information for schools

How can you support your community & make the area around your school safer?

Sign up to Modeshift stars

A national school awards scheme established to recognise schools that have demonstrated excellence in supporting cycling and walking. It provides free resources about sustainable travel journeys.

Register at: modeshiftstars.org/contact-us/stars-education-contact/

Sign up to WOW – the Walk to School Challenge from Living Streets

There are limited free places for primary schools across Greater Manchester.

Find out more: livingstreets.org.uk/products-and-services/projects/wow

or to register, e-mail: Paul.OSullivan@livingstreets.org.uk

Set up a School Street

A 'School Street' is a road outside a school with a temporary restriction on motor traffic at school drop-off and pick-up times. The temporary road closures will allow parents and children to have the freedom to walk or cycle safely in the streets at the beginning and the end of the school day, in a traffic-free environment.

Removing vehicles outside the school gates makes the space safer, improving air quality and helping address the climate crisis.

For School Streets to work, they need the support of the wider school family – as they require volunteers for them to succeed. We will provide any training and equipment required.

To register your interest or for more information, please email traffordtraffic@amey.co.uk

These changes make a real difference to the congestion around schools, making the school run less stressful and far safer for everyone.
