

**BOROUGH OF TRAFFORD (OFF-STREET CAR PARKS) ORDER 2001
(AMENDMENT NO 8) ORDER 2015**

NOTICE IS HEREBY GIVEN that Trafford Borough Council proposes to make an Order under the Road Traffic Regulation Act 1984.

The effect of the Order will be to amend the Borough of Trafford (Off Street Car Parks) Order 2001 by the removal of car parks specified in Schedules A1, A2 and A3, to this Order, from the respective Schedules to the Original 2001 Order and by the addition of cashless/ticketless payment transactions to the chargeable car parks within the borough, so that the means by which one can pay the initial charge at pay-and-display parking place, multi-use parking place and long-stay pay-and-display parking place now includes pay-by-phone, using a mobile telephone or other electronic system (including via the internet) by credit or debit card or any other means of secure authorised payment, to facilitate a cashless and ticketless parking transaction in order to leave the vehicle at such a parking place. The initial charges for the leaving of a vehicle at one of these parking places remain unchanged. However, pay-by-phone transactions attract additional charges, payable by the applicant, to cover the administration of the operator and costs incurred during the transaction process. The additional transaction charges should be made public by the operator as part of the transaction process. Telephony charges incurred in the costs of making the transaction depend on network provider and phone service and are the responsibility of the applicant. The introduction of electric vehicle charging spaces on Regent Road, Altrincham, Newton Street/Lacy Street, Stretford and Flixton Road, Flixton car parks and the introduction of a 2 hour maximum limit for parking on Thorley Lane, Timperley car park. Proposed amendments to the 2001 Order as specified in the Schedule to this Order.

SCHEDULE

SCHEDULE A1 –

proposed removal from Schedule 3 (free car parks) to the Original Order

Parking Place No.	Location of Parking Place	Class(es) of Motor Vehicle	Days and Hours Of Operation
31	Thorley Lane, Timperley	A	All days and hours

SCHEDULE A2 –

proposed removal from Schedule 3 (free car parks) to the Original Order

Parking Place No.	Location of Parking Place	Class(es) of Motor Vehicle	Days and Hours Of Operation
23	Newton Street/Lacy Street, Stretford	B	Vehicles (except goods vehicles) All days and hours
35	Flixton Road, Flixton	A	All days and hours

SCHEDULE A3 –

proposed removal from Schedule 2 (charged car parks) to the Original Order

Parking Place No.	Location of Parking Place	Class (es) of Motor Vehicle	Days and Hours of Operation
5	Oakfield Road, Altrincham	A	All days and hours

**BOROUGH OF TRAFFORD (OFF-STREET CAR PARKS) ORDER 2001
(AMENDMENT NO 8) ORDER 2015**

NOTICE IS HEREBY GIVEN that Trafford Borough Council proposes to make an Order under the Road Traffic Regulation Act 1984.

The effect of the Order will be to amend the Borough of Trafford (Off Street Car Parks) Order 2001 by the addition of cashless/ticketless payment transactions to the chargeable car parks within the borough, the introduction of electric vehicle charging spaces on Regent Road, Altrincham, Newton Street/Lacy Street, Stretford and Flixton Road, Flixton car parks and the introduction of a 2 hour maximum limit for parking on Thorley Lane, Timperley car park.

A copy of the draft Order together with a statement of reasons, may be inspected at Access Trafford, Stamford New Road, Altrincham, Stretford and Urmston Libraries, Information Desks and at Access Trafford, Sale Waterside, Sale during normal opening hours. A copy of the full Notice can also be viewed on-line at www.trafford.gov.uk/trafficregulationorders

Any objections to the proposal, together with the grounds on which they are made, should be sent in writing to the undersigned or by e-mail to traffordtraffic@amey.co.uk by 10th December 2015.

Dated: 19th November 2015.

Contracts Director, Trafford Borough Council, Waterside House, Sale, M33 7ZF

STATEMENT OF REASONS

Complaints have been received from local businesses and Councillors that parking has become stagnated in the Thorley Lane car park, Timperley, due to all day parking taking up the majority of parking spaces. Concerns have also been raised that public access for short stay visitors was not being provided.

Complaints have also been received regarding the use of the marked disabled spaces. It has been reported that some vehicles are not moved from these spaces for over a week with concern being raised that other disabled users require access to these spaces, on a regular basis, to access facilities in the Village.

It is proposed to reduce the length of stay, for all users included blue badge holders, to two hours to facilitate a turnover of spaces that would support access to the village facilities and that the car park should continue as a free public parking location.

It is proposed to introduce a cashless payment system to pay for parking charges on the following car parks, in addition to the existing pay and display scheme of payment;

Sale - Oakland's Drive car park

Altrincham - Oakfield Road car park; Regent Road car park;

Hale - Cecil Road (East), Altrincham (including that previously named Crown Passages); Brown Street car park; Victoria Road car park.

The introduction of cashless payments, using a debit/credit card, smartphone, tablet, pc or other method, to pay a tariff for parking in a ticketless transaction provides an alternative to the cash payment that is currently available for customers at pay and display machines located within the above car parks. This method requires customers to set up an account with the Council's service provider, RingGo, registering a valid debit/credit card and the vehicle registration number. To activate a parking session customers would need to phone the local number provided or use an 'App' provided, stating the location code that would be quoted in the relevant car park and advising how long they would wish to stay. Certain tariffs will permit a 'top up' to extend the initial stay booked.

The following service charges, to the customer, apply, in addition to the relative parking charge:

		Per transaction
Session Charges	Per tariff (session) booked over £0.70p and 'top up' where available to extend stay	£0.20p
	Per tariff (session) booked up to £0.70p	£0.00
Optional SMS	To confirm a transaction	£0.10p
Charges	To remind of expiry	£0.10p

In line with Government requirements the Council has introduced a number of electric vehicle charging points. These are identified by a charging symbol in spaces that are provided specifically for use by electric/hybrid vehicles, when charging. These spaces are for use while an electric/hybrid vehicle is being charged only, and not for parking when the vehicle is not being charged. The charging post is situated in the middle of two marked spaces,

Locations where these have been introduced are:

Stretford – Newton Street/Lacy Street car park

Flixton – Flixton Road car park

Altrincham – Regent Road car park

There are two marked parking spaces available, for this specific use, in each car park.
