STATEMENT OF REASONS

A request has been received from a disabled resident of 26 Eaton Road, Sale, who is a blue badge holder, for consideration to be given to the provision of a disabled persons' permit parking space close to the property.

Eaton Road is located within the Permit U Residents' Parking Scheme and, as such, will require an amendment to the Traffic Order, if a disabled persons' permit parking space is to be introduced at this location.

Disabled persons' parking spaces within this area are designated 'Cu' permit holder parking and are operative on a 24-hour basis. Holders of 'Cu' permits are also allowed to park in areas where Permit U holder parking restrictions apply.

A request has been received from the new resident of 37 Eaton Road, Sale for the existing 'Cu' bay outside the house to be removed, as there are no blue badge holders resident at that property.

A request has been received for the existing 'Cu' bay outside 12 Belgrave Road, Sale to be removed, as there are no blue badge holders resident at that property.

In view of the nature of the streets within this area and the demand for on-street parking, it is considered that the resident of 26 Eaton Road would benefit from the introduction of a disabled persons' permit parking space that would allow him to park directly outside his home.

It is proposed therefore, to amend the traffic regulation Order to introduce a 'Cu' permit parking space, at the required location and to remove the permit bays that are no longer required.

STATEMENT OF REASONS

A request has been received from a disabled resident of 1 Gleave Street, Sale, who is a blue badge holder, for consideration to be given to the provision of a disabled persons' permit parking space close to the property.

Gleave Street is located within the Permit R Residents' Parking Scheme and, as such, will require an amendment to the Traffic Order, if a disabled persons' permit parking space is to be introduced at this location.

Disabled persons' parking spaces within this area are designated 'Cr' permit holder parking and are operative on a 24-hour basis. Holders of 'Cr' permits are also allowed to park in areas where Permit R holder parking restrictions apply.

In view of the nature of the streets within this area and the demand for on-street parking, it is considered that the applicant would benefit from the introduction of a disabled persons' permit parking space that would allow them to park directly outside their home.

It is proposed therefore, to amend the traffic regulation Order to introduce a 'Cr' permit parking space, at the required location, and to invite the applicant to apply for the relevant permit.
