## STATEMENT OF REASONS

A request has been received from a resident of **Grosvenor Road, Altrincham** whose child is a blue badge holder, for consideration to be given to the provision of a disabled persons' permit parking bay close to their property.

A request has also been received from a resident of **Urban Drive, Altrincham** who is a blue badge holder, for consideration to be given to the provision of a disabled persons' permit parking bay close to their property.

Grosvenor Road and Urban Drive are both located within the existing Residents' Permit Parking schemes and, as such, will require an amendment to the Traffic Order, if a disabled residents' permit parking space is to be introduced at each location.

The disabled residents' permit parking spaces in the Grosvenor Road area are designated 'Cg' permit holder parking only and are operative on a 24-hour basis.

The disabled residents' permit parking spaces in the Urban Drive area are designated 'Cq' permit holder parking only and are also operative on a 24-hour basis.

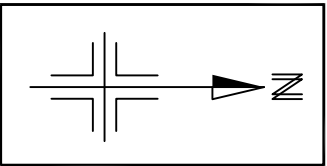

It is considered that the disabled residents of Grosvenor Road and Urban Drive, Altrincham would benefit from the introduction of a disabled residents' permit parking space at each location, that would allow them to park their vehicles outside/close to their houses, at any time.

## **STATEMENT OF REASONS**

Problems caused by on-street parking at the Lyndhurst Avenue / Davyhulme Road junction have been the subject of complaints by residents to the Council.

Parking at the junction obscures visibility for all road users using Lyndhurst Avenue / Davyhulme Road junction.

It is considered that the junction would benefit from the introduction of junction protection and that its introduction will alleviate the obstructive and hazardous parking currently taking place.
