STATEMENT OF REASONS

The A56 & A5081 are two of the busiest corridors in Trafford which form part of Greater Manchester's Key Route Network and support a variety of retail, commercial & leisure businesses, generating a significant amount of vehicle movement. There have been concerns raised by Greater Manchester Police & Transport for Greater Manchester regarding congestion and inappropriate obstructive parking, resulting in poor road safety and heavy congestion, in particular relating to events hosted in the Old Trafford area, including, Old Trafford Football Stadium, Old Trafford Cricket Ground & Victoria Warehouse.

It is proposed to introduce 24-hour, 7-days a week (at any time) Red Route restrictions on the A56 and A5081, and on associated side roads, between the M60 and the boundary with Manchester. This will be under powers conveyed in the Road Traffic Regulation Act. Red Route restrictions allow for better management of parking and loading and will assist parking enforcement officers, when combatting obstructive parking.

The proposals support the Greater Manchester Mayor's commitment to reduce congestion on the region's highway network as detailed in the Greater Manchester's Congestion Deal.
