Need more compostable bags?

When you need them, please tie the yellow tag to your green bin or street caddy. Our crews will deliver you a new roll when they empty the bin. You can order one online at trafford.gov.uk/report-it

Bulky items

To dispose of items such as furniture, cookers and washing machines please consider using:

- Re-use charities
- Local household waste recycling centres (the tip)
- One Trafford bulky waste collection service

For more information on the best way to get rid of larger items please visit www.trafford.gov.uk/bulkywaste

Help us to help you manage your waste

- Remember to put your bins out for collection by **6.30am**
- Please put your **house number** on your bin
- Take your bins **back on to your property on the same day** after your collection
- Rinse and squash cans and plastic to save more room in your black recycling bin

Not sure what to do with a specific item? Check out Recycle for Greater Manchester's A-Z recycling guide

Your recycling guide

Recycling batteries

Do not put batteries in any of your bins –they're a fire risk and contain hazardous materials. Instead, recycle them at a local recycling centre, supermarket, or electrical store.
