

Sample Plan.

- Include the name and address of the premises.
- Include a scale (usually standard scale of 1:100).
- Include the licensable area (usually the perimeter of the premises, outlined in red).
- Include fire equipment.
- Include any other things referenced in the application, eg CCTV cameras.
- Include entry and exit points of the premises.
- If there is an outdoor area to be licenced, clearly label this as such.
