

The Parish Council raises a local tax (the precept) which is collected via the Council Tax and paid to us by Trafford Council. The precept is paid by every household and varies in accordance to your property band in the same way as the Council Tax. The precept is spent within the Parish and will be laid out in the budget approved by Parish Councillors.

The precept bandings for your household are:

<b>Band</b>	<b>£</b>
A	20.00
B	23.33
C	26.67
D	30.00
E	36.67
F	43.33
G	50.00
H	60.00

Last year we received £4440 from the precept which was mainly used for council administration, air quality monitoring and maintenance of hedges at the orchard. We receive the precept money in two instalments each year. This year we will be investing in the development of the recreational field to open it for public use. This also pays for general running costs of the Parish council, such as insurance, website and internal and external finance audits. If you have any comments please visit the Parish council website and leave feedback in the 'Contact us' page.
