E. Worrall, Esq.,
Surveyor,
Council Offices,
OLD TRAFFORD.

Dear Sir,

RE WHITE CITY RECONSTRUCTION.

In reply to your favour of even date, I beg to confirm our undertaking to confirm with your express desire in this letter at hand.

With regard to the Chester Road side of the Scenic Railway, will say that we should like very much to leave our traffic on this side in view until after it has been given a test, and if it does annoy the traffic in the streets we will, of course, then shield it. If this is Satisfactory I should like to have an expression from you.

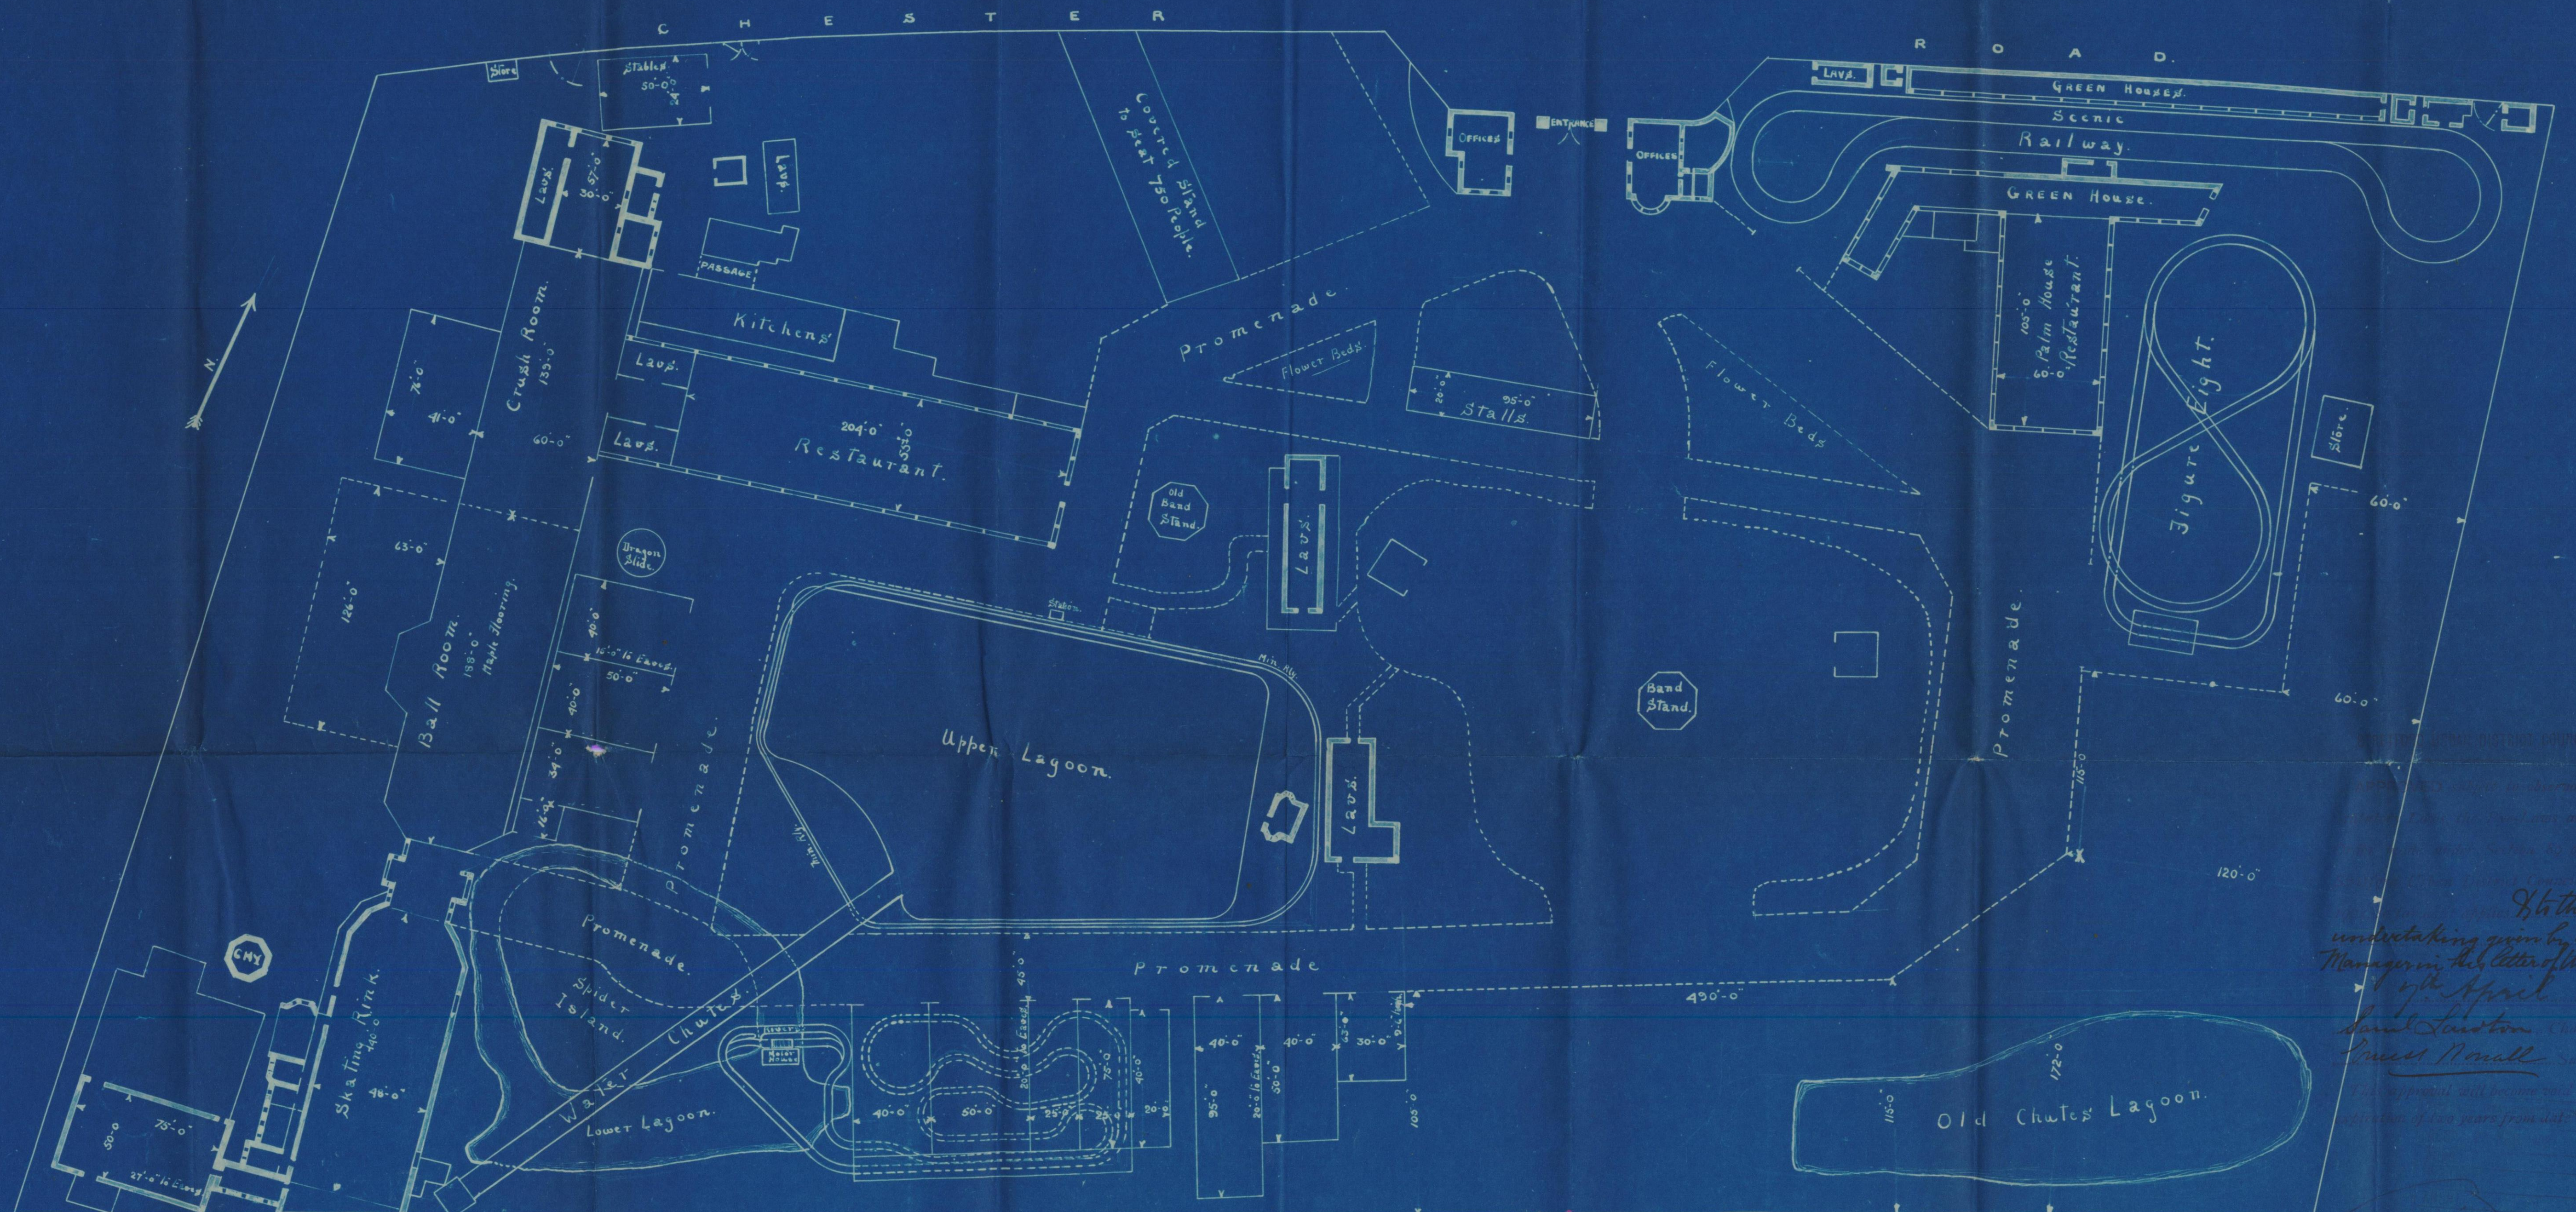

Thanking you for the prompt way in which you have come to our assistance.

Yours truly,

J. C. BROWN.
